

My name is Ava Fiore and I am a resident of Enfield, CT. I would like to submit this as testimony for public hearings regarding the following animal bills:

Support HB 5416 (Section 2) banning gestation crates.

Oppose HB 5080 which would allow Sunday hunting.

S.B. 445 (Puppy Mill Bill) Support with request to include requirements that all new pet shops shall not sell commercially-bred dogs and that current pet shops phase-out the sale of commercially-bred dogs.
